The SATV Tools

Microsoft's [Volume Licensing Service Center \(VLSC\)](#) is an online tool used by qualified volume licensing customers to manage their Software Assurance benefits. Included in this document are instructions for how Customers can:

1. View and activate their SA Training benefit
2. Create and assign SA training vouchers to employees

Step 1: Activate Training Voucher Benefit (Customer)

The customer company's Software Assurance Benefits Manager must activate their Software Assurance Training Voucher benefit through Microsoft's "[Volume Licensing Service Center](#)" or "[VLSC](#)" website. The steps are as follows:

1. Sign in using your Microsoft Account
2. Click the "View Software Assurance Benefits" link and select the benefit from the "Software Assurance Summary" list.
3. Click on the Licensing Agreement Number under which you wish to activate your SA Training Voucher benefit and view the "Benefits Available for Activation" pane.
4. To activate the benefit, click on the SA Training Voucher benefit name and follow the instructions in the subsequent screens.

Step 2: Create and Assign Voucher (Customer)

1. Click "Software Assurance Benefits" link in [VLSC](#).
2. Under your Benefit Summary, click the Training Voucher link.
3. Scroll down to the "Activated Benefits" section of the page and click on "Training Vouchers".

Create Training Vouchers						

5. Three things are needed to create a Training Voucher:
 - a. The name of the employee to receive training,
 - b. The employee's corporate e-mail address, and
 - c. The length of the voucher which can range from **1 to 5 days**.
 - d. It is best to select **5 days**.
6. Click "Add Voucher", then "Submit Voucher List". This creates and assigns the voucher to the employee.
7. An e-mail containing the voucher's details is sent to the corporate e-mail address entered at the time of voucher creation. This e-mail will contain the Voucher Number, voucher expiration date, as well as the name of the Benefits Administrator who created and assigned it.
8. Please provide the Voucher details to us and we do step 3.

Step 4: Activate the dMOC

After we have completed Step 3, employees will receive an Email from Skillpipe and they have to activate their dMOC courseware. Here is a sample in German:
